NAME	OFFICE	DATE	SIGNATURE
John Drago	AFS-830	10/06/2021	JOHN L DRAGO III <small>Digitally signed by JOHN L DRAGO III Date: 2021.10.18 11:42:24 -04'00'</small>

### Required Information or Summary of Conversation:

Conversation with:  
Thomas D. Taconet III  
36225 Detroit Road, #543  
Avon, OH 44011  
440-895-7700  
tom@avonuas.com

Reviewed RFI questions and clarified the stakeholder's position on operating multiple UAS. The petitioner will respond with additional clarification in writing prior to 10/20/2021.

(Not applicable - Record of Conversation Only)

**What You Should Do**

If you want the FAA to process your request any further, you must send the information described above by 10/20/2021 before 11:59PM ET. The FAA will consider your petition open during this period.

**If the FAA Does Not Receive the Requested Information From You**

If the FAA does not receive the requested information from you by the date indicated above, the FAA will take no further action on this petition and close the matter without notifying you further. If you have any questions or require additional time, you may call (202) 267-1100.
